

PRESTIGE

Like the executive desks in the same range, the Prestige meeting furniture stands out through the use of quality materials in modern finishes. By adding extensions, the Prestige table can be used as a conference table.

1. Conference table equipped for the connections and the cable management with a magnetic Aluminum top access flap. 2. Chrome-plated steel finish ribbon leg.

Technical description

38 mm thick Nitech® panels with reinforced 3 mm edging or 25 mm thick Structurex® and a finishing 2 mm ABS edging.

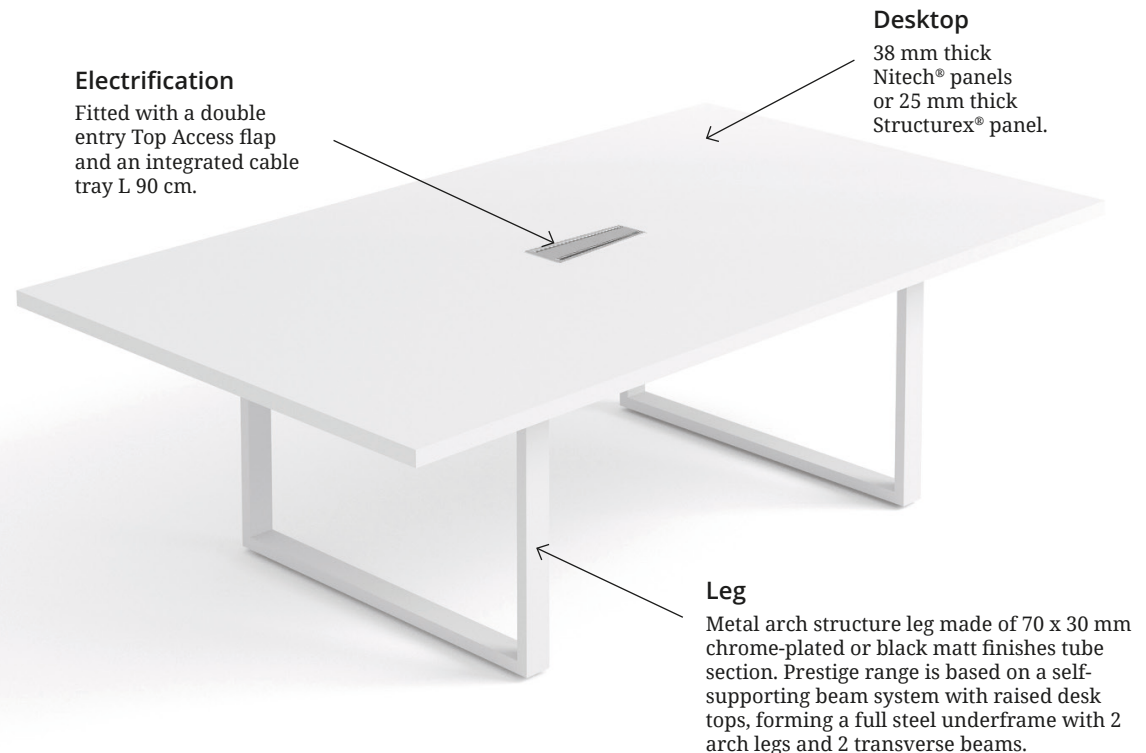

Fitted with a double entry Top Access flap and an integrated cable tray L 90 cm.

Metal arch structure leg made of 70 x 30 mm chrome-plated or black matt finishes tube section.

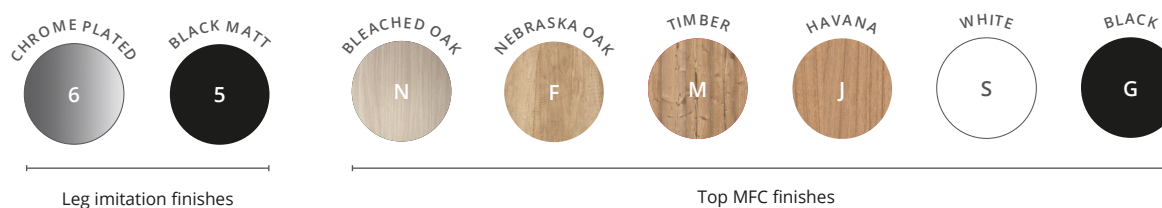

Prestige range is based on a self-supporting beam system with raised desk tops, forming a full steel underframe with 2 arch legs and 2 transverse beams.

Adjustable screw feet to compensate for any unevenness in the floor.

The conference table can be extended indefinitely using L 140 x D 140 cm module on shared arch, each extension can seat an extra 4 people.
